Custom Wiring Harnesses

Medical Equipment

Application Scenarios

Mammography DR Systems

Dental Imaging Scanner

Automotive Wiring Harness & In-Vehicle Intelligent Laser Projection System

Application Scenarios

Integrated AUTO Wiring Harness

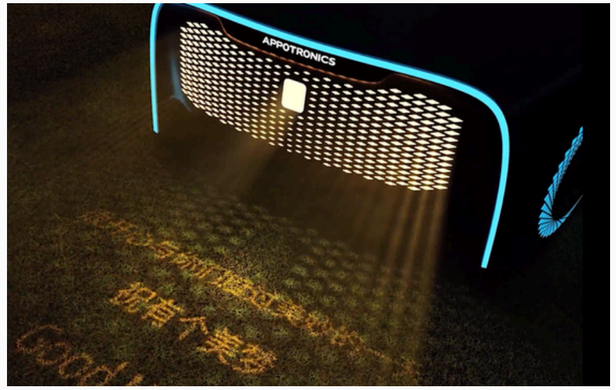

HSD Dual-Ended Center Console Cable

Automotive HSD / USB 3.0 Wiring Harness

AITO Smart In-Vehicle Projection System

Electronic Wiring Harness & LVDS Wiring Harness

Application Scenarios

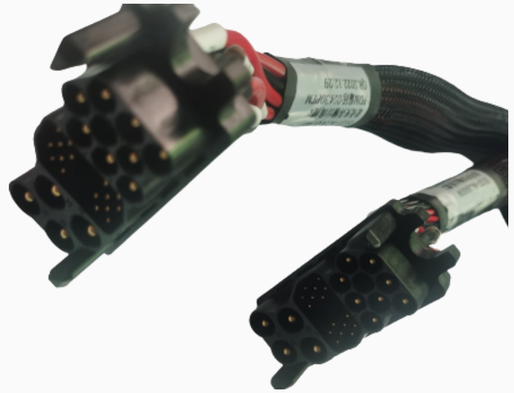

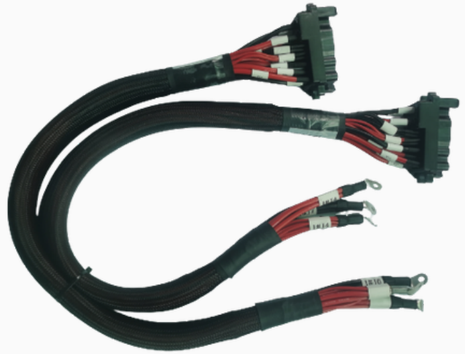

Laser Projection Equipment

High-Flex Drag Chain Cable & Energy Storage System (ESS) Aging Test Cable

Application Scenarios

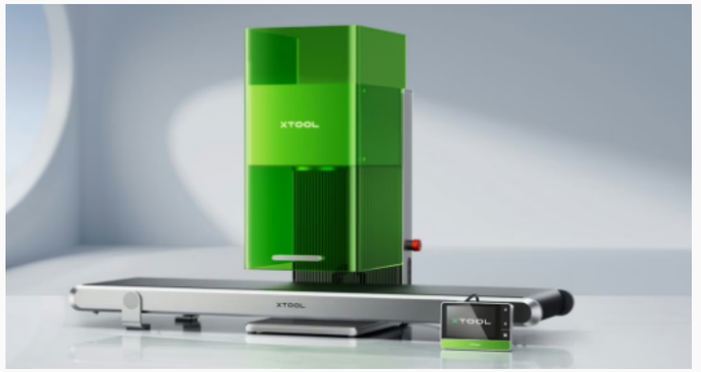

Laser Cutting Machine

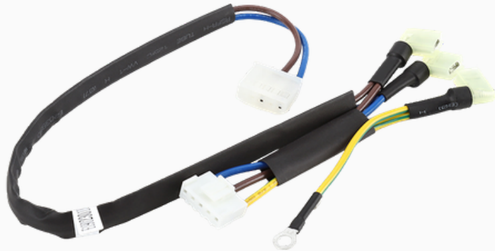

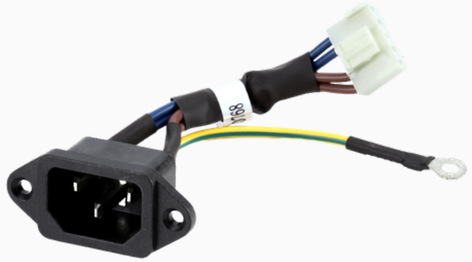

Laser Engraving Machine

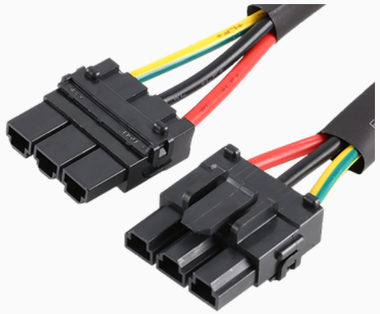

Communication, Power & Waterproof Cable and Wiring Harness Solutions

Application Scenarios

5G Infrastructure

Integrated Base Station

Wiring Harness for Vacuum Cleaners

Application Scenarios

Key Manufacturing Equipment

Vertical Injection Molding Machine

Automatic Terminal Crimping Machine

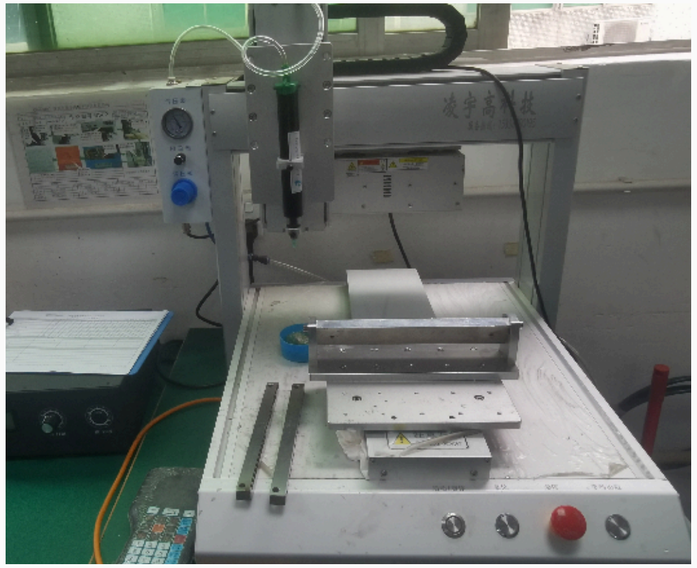

Ultra-Low Noise Terminal Crimping Machine

Key Manufacturing Equipment

Automatic Assembly Machine

Automatic UV Dispensing Machine

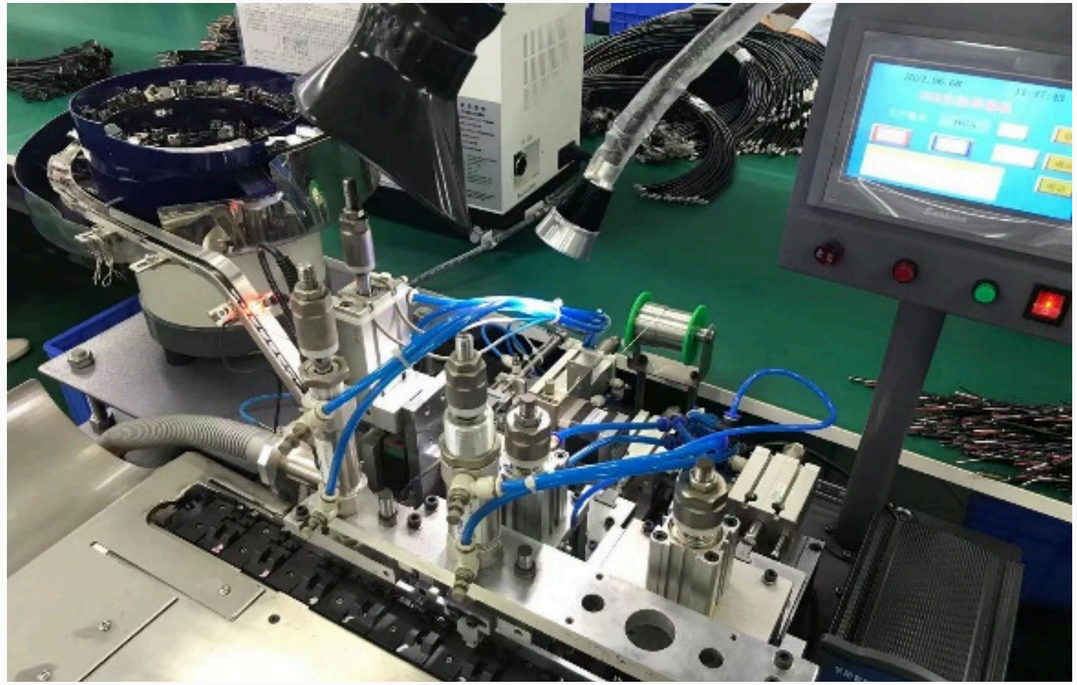

Computerized Wire Cutting & Stripping Machine

Key Manufacturing Equipment

—— for Automotive Wiring Harnesses

Automatic Cable Processing Equipment

Automatic Soldering Machine

Advanced Testing & Inspection Equipment

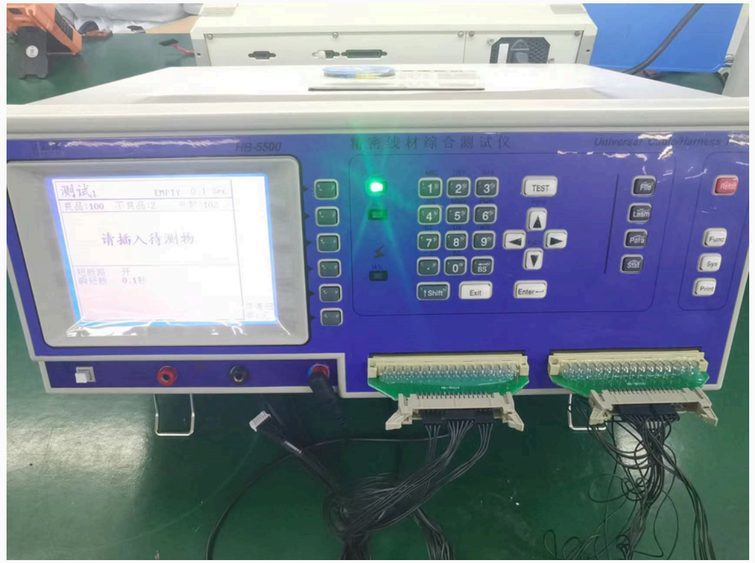

Q50 Tensile Testing Machine

Automated Wire Sequence & Continuity Tester

Advanced Testing & Inspection Equipment

High-Precision Integrated Electrical Tester (Contact Resistance up to 1 mΩ)

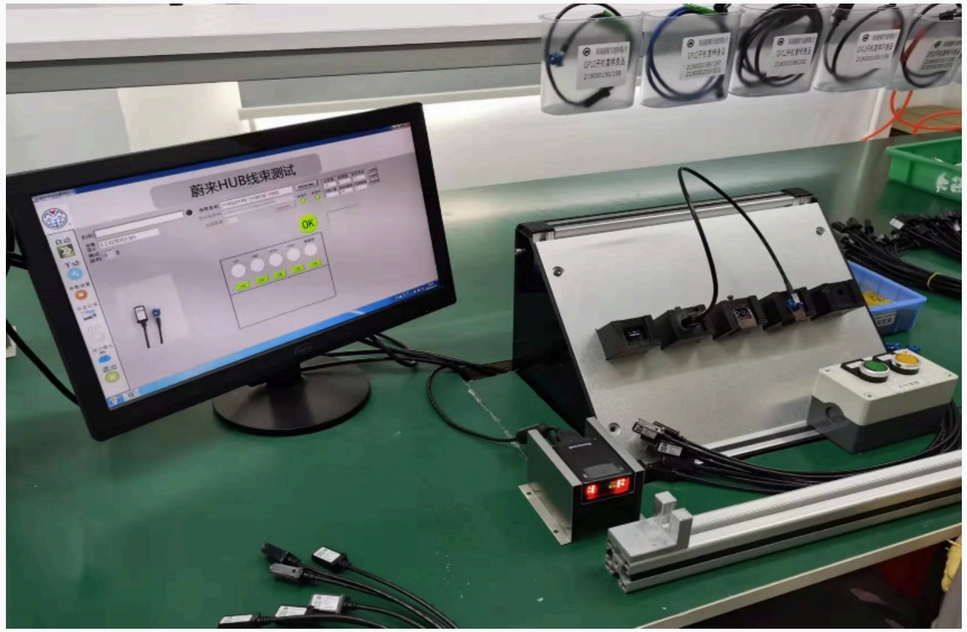

Terminal Cross-Section Analysis System

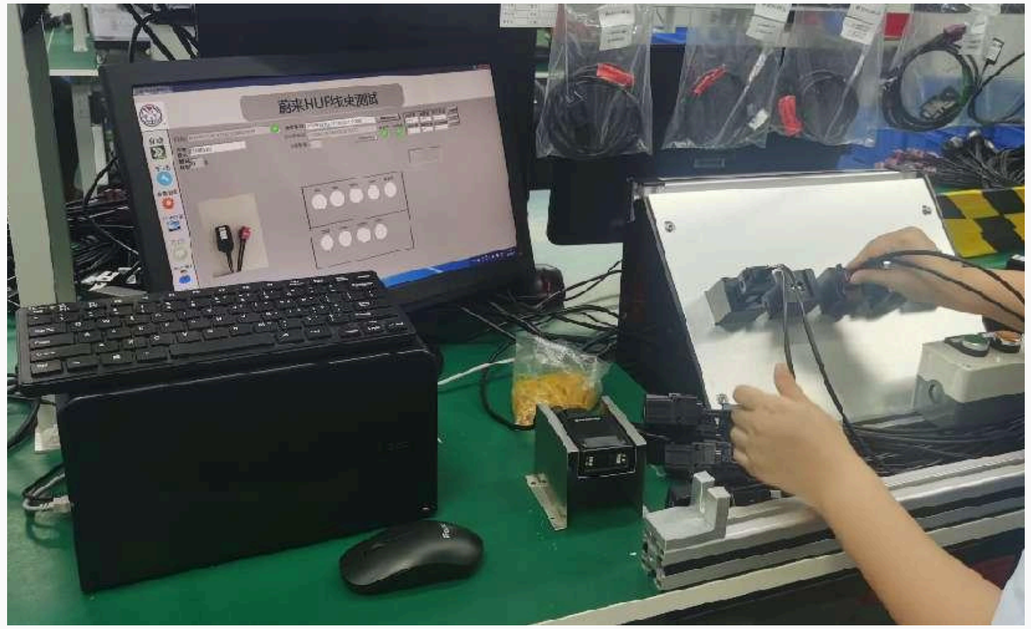

High-Definition CCD Digital Microscope

Advanced Testing & Inspection Equipment

—— for Automotive Wiring Harnesses

GP12 Quality Control Inspection

Multi-Function Electrical Testing & Traceability System

Laboratory Equipment

Vision Measuring System (VMS)

Tensile Testing Machine

Temperature Cycling Test Chamber

Laboratory Equipment

X-Ray RoHS Compliance Testing Analyzer

Salt Spray Test Chamber

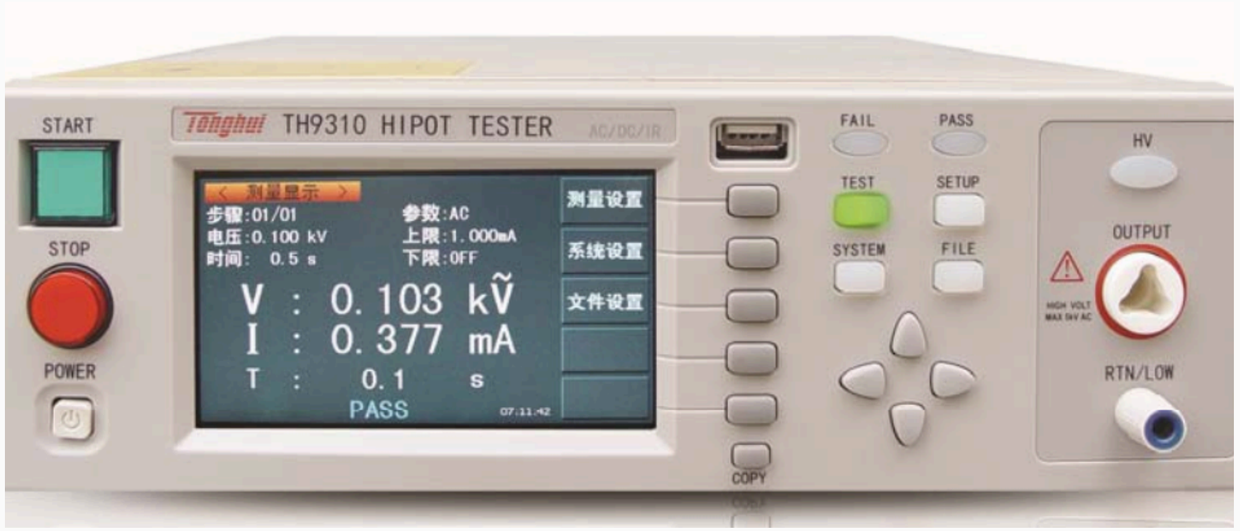

Cable Bending Fatigue Test Machine

Laboratory Equipment

DC Resistance Tester

AC/DC Withstand Voltage &
Insulation Resistance Tester

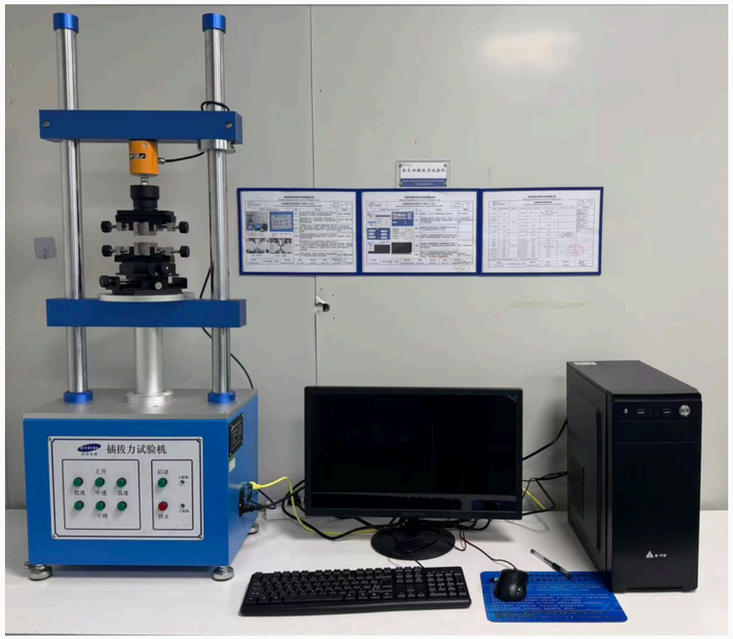

Laboratory Equipment

U-Type Cable Bending Fatigue Tester – Drag Chain Life up to 5 Million Cycles

Air-tightness Tester (IP67/IP68 Standard)

Automatic Insertion & Withdrawal Force Life Tester
